Quotes

This table shows what people have to say:

Type of project	Quote
Procedure documentation	"I want to thank you for your help with the Revenue Support documentation effort. You were very professional in your review and coordination of the document drafting by the Revenue Support team. The questions you presented to the preparers and the attention to detail helped to provide more complete and polished final documents." -Paul Revenue Support Manager, CenterPoint Energy
Software implementation documentation	"You provided a very high level of expertise related to Information Mapping and technical documentation. Your skills and expertise were crucial. The documentation is utilized every day by employees and received very positive feedback." -Kevin Process Project Specialist, CenterPoint Energy
Custom-built school booklet	"Thank you for your help on the project. The document design and writing were very good. We've been able to use the booklet to show families what an asset our school can be for them." -Greg Head of School, Westbury Christian School
Technographer services	"The technical writing service you provided for our look at doing electric billing was excellent. Your documentation was thorough, covering all questions and comments. I never needed to change or add to your documentation." -Gary Senior IT Analyst, CenterPoint Energy
Business correspondence	"I came to a crossroads at my previous employment and I needed a way to gracefully express my gratefulness for the present and aspirations for the future, despite some unfortunate events that occurred in the end. You demonstrated thoughtfulness and professionalism when constructing my letter of resignation. Not only did my previous employer wish me well on my future endeavors, they told me that if things didn't work out I could come back. I will definitely use your services again!" -Genesis Acineo, LLC
